WHY CHOOSE PIONEER FOR YOUR HEALTHCARE FACILITY CLIENTS?

CUSTOMIZATION – Tailored policy forms, limits and retentions to meet healthcare facilities' needs.

COMPLETE SOLUTION / RISK MANAGEMENT – Our risk management approach proactively helps protect our healthcare insureds against unique industry exposures. As a leader in loss control, we provide guidance and resources to manage and reduce exposures with a complimentary membership to RiskFit® powered by OmniSure.

COMPETITIVE PRICING – Our product is highly flexible and based on provided limits and selected retention. This allows Pioneer to provide attractive pricing for each insured healthcare facility.

CLAIMS EXPERTISE – Risk management, litigation management and best-in-class tools, we partner with our insured to mitigate risk. We work with Premier Claims Management, an industry leader, to ensure claims are handled in the most efficient manner possible.

INDUSTRY EXPERTISE – Pioneer's underwriting staff averages 20+ years serving the healthcare market.

SUBMISSION REQUIREMENTS

- Supplemental application
- COVID questionnaire
- 5 years' currently valued loss runs
- Details of any claims greater than \$50K
- Current state survey with POC
- Current facility license

Pioneer Programs Insurance Solutions, LLC (CA Lic# OG44948) underwrites and distributes the Healthcare Facilities Program from Notting Hill Risk Retention Group LLC. Notting Hill is a member-owned insurer, allowing its members to stabilize their insurance costs through greater control of their loss retention.

For 12 years Pioneer has been involved in underwriting Senior Care, and with the addition of the new Healthcare Facilities program, we continue our focus of underwriting exceptional risks while assisting insureds in managing their exposures. Pioneer's flagship program, Contractors' Choice, has been one of the longest-running, value added insurance programs for the building industry for more than 20 years. Driven by loss control, Pioneer's insurance solutions offer sophisticated risk management tools along with forensic risk management.
